I was so excited to receive my **\$1,000** reward check. Even though I had to wait three years for my money, **it was well worth the wait**. I really appreciate the courtesy extended to me by the company...

I literally gasped when I heard Mr. Ewing say that I had met the requirements for the **\$1,000** Cash Reward and he had a check to give me! I honestly expected that the conditions would be impossible to meet, but I was pleasantly surprised. I now have the check in hand and have planned many ways to spend it!
Thank you,

The main reason that I purchased my car was the \$10,000 Cash Reward. I contacted several other dealerships and none had the Cash Reward program. I was a bit skeptical at first but, I now have my **\$10,000** check in hand.

Thank you Cash Rewards!

I am really happy that Cash Rewards was available at the time I bought my truck. We went to the dealership on the last day of the promotion, and the only reason we were looking for a truck was because my previous had been stolen.

We are certainly happy that we made the choice we made, especially now that we have the check in our hand. Thanks to Cash Rewards for offering the program and Duncanville Ford for participating.

When I was a young man, I always wanted a Ford Thunderbird (1957 model). I would go to the car lots and dream about owning one. After 27 years in the Air Force and 12 years in aerospace, I retired and my dream of purchasing a 2004 T-Bird became a reality. As of today, November 21, 2006, and my receipt of my **\$1,000** from Cash Rewards, **I am a true believer.**

Sincerely,

I got my Cash Reward Certificate when buying my new car. I was skeptical at first, but when the time came, Cash Rewards delivered the full amount promised. **I could not believe it when they showed up with the check!**

Thank You,
Charles

I just wanted to send a quick note and thank you, and your company, for personally delivering our Cash Rewards check.

My wife and I were pleasantly surprised when the Salesman at Ford offered the certificate to us. In retrospect, we should have taken his offer of a second certificate equal to the cost of the extended warranty too. At the time we were concerned we would, somehow, not be able to comply with the requirements. As it turns out, the requirements were not all that difficult to comply with; patience and a little planning is all it took.

Hopefully, the next time we buy a car, we will be offered a similar opportunity. It would definitely make a difference on who we buy from.

My wife is also considering using your program in her real estate business as an extra incentive for sellers AND buyers.

Thanks again for delivering our Cash Reward; and also doing so quickly.

Best regards,
Mike
